

GOLF IS A GAMBLE

Come help us party on the peninsula on July 11, 12, 13 at the WSWPLA 2022 Championship at Port Ludlow Golf Course. Play one of the premier golf courses in Washington State while you rest & recuperate at some of the finest hotels we have to offer within 25-35 minutes of the golf course. We have contacted the three casino hotels in our surrounding area (for some after-golf fun) as well as the Inn at Port Ludlow. They have put together packages of rooms at their best prices. They also offer special amenities for the ladies that choose to stay with them. The casinos offer RV accommodations if that is your pleasure. Other accommodations can be found online in Poulsbo or Port Townsend. Gather together the gals at your club and plan a wonderful summer getaway to our little corner of the state. This might seem early for making reservations, but mid-summer is the high season for these hotels, so try to book early.
